## Product sheet

Element	Material
Structure	16x1,5 steel tube in chrome plated or non-toxic, oven-baked painted steel.
Seat-part and back rest	Made out of coloured polypropylene or in regenerated leather.
Characteristics	The structure is held together by wire-welding.

## Instructions for use

<b>Use</b>	This product is suitable for home or office use. Do not stand on the seat part, do not lean back on the legs and do not sit on the arm rests or back rest. Do not carry out maintenance or repair operations.
<b>Maintenance</b>	These parts may be cleaned with a light, neutral cleaner and must be immediately dried. Use only a soft cloth to avoid scratching the surfaces. Once or twice a year we suggest to use the protective and nourishing products included in our "Care and cleaning Kit" which can be purchased separately through our retailers.
