Top	Extralight 15 mm tempered, transparent glass.

Instructions for use

Use and maintenance	The item is for indoor use. Please follow these guidelines: do not stand and do not sit on the top and do not knock against it. Do not carry out maintenance to the components and contact the dealer for all requirements.
Care of aluminium parts	Cleaning must be carried out with pure alcohol which must be immediately dried off. Always use a soft cloth to avoid scratching surfaces. Do not use products which contain acetone, ammonia, chloride, solvents, abrasive products and furniture wax.
Care of the glass parts	Cleaning must be carried out with water or with specific products which must be immediately dried off. Always use a soft cloth to avoid scratching surfaces.
Ecology	At the end of the use, do not disperse the item into the environment, but refer to local waste disposal.
