

Dorian

hide-covered headboard

steel legs

L 168 P 220 H 87

Product sheet

Element	Material
Structure	Stainless steel tube.
Headboard	Poplar multilayer structure covered with smooth grain leather.

Instructions for use

Use and maintenance

Follow these guidelines: do not stand on the borders, do not hang or swing and do not use the bed as a step-ladder. Do not carry out maintenance to the components, and contact the dealer for all requirements.

Care for the parts made out of steel

These parts may be cleaned with a light, neutral cleaner and must be immediately dried. Use only a soft cloth to avoid scratching the surfaces.

Care of the parts in hide leather

In order to keep the hide leather in good condition, dust it regularly with a soft, clean cloth. Once or twice a year, use the products contained in the "Ciacci Cleaning Kit" to protect and nourish it. Avoid using alcohol or other solvents which may corrode the hide.
