

Ginko

MDF or alucompact top

L 90 P 75 H 75

Product sheet

Element	Material
Base	Non-toxic painted steel base covered with chromed stainless steel sheet.
Column	Chromed steel tube.
Veneer top	In MDF veneer with natural painted herring-bone zebrawood compound.
Layered top	10 mm alucompact. This material with two aluminium sheets inside makes the top perfectly non-deformable.

Instructions for use

Use and maintenance

This product can be used in houses. Do not hang from it, do not step onto the top and do not seat on the top; any impact against the wooden parts and any maintenance on the products should be avoided.

Care of the steel parts

Cleaning must be carried out with neutral detergents which must be immediately dried off. Avoid using products containing acetone, ammonia, chlorine and solvents, abrasive products, furniture polish. Avoid using metallic sponge and washing powder. Always use a soft cloth to avoid scratching surfaces.

Care of the essence and layered parts

Cleaning must be carried out with a neutral cleaner which must be immediately dried off. Always use a soft cloth to avoid scratching surfaces.
