Instructions for use

Use and maintenance

The item is for indoor use. Please follow these guidelines: do not stand on the seat and do not sit on the back. Do not carry out maintenance to the components and contact the dealer for all requirements.

Care of the leather parts

For leather good maintenance, only dust the item with a soft and dry cloth. We advise to use every 6 months the Ciacci cleaning kit for leather parts purchasable separately from our retailer. Please avoid the use of alcohol and solvents that could corrode the leather. Never use steam and products for shoes cleaning. Please avoid to rub the surface, but pad from the edge to the middle of the stain. Eventual stains could be cleaned with a soft cloth or with damp cotton and products like neutral soap or cleansing milk. Leather's feature can present a non-regular surface due to natural structure. The long exposure to the sun can alter colours.

Ecology

At the end of the use, do not disperse the item into the environment, but refer to local waste disposal.
