Product sheet

Element	Material
Legs	Stainless steel iron sheet chrome finish or oven-baked non-toxic painted finish.
Top and extension	10 mm tempered glass.
Mechanism	Oven-baked non-toxic painted tube and flat steel.
Characteristics	It is provided with spring wheels which help sliding during extension. While table is extended the extension comes out automatically.

Instructions for use

Use and maintenance

This product is suitable for home use. Do not stand on the top, do not seat on the surface. Avoid all types of impact to the glass parts; do not carry out maintenance to the products.

Care of stainless steel parts

Cleaning must be carried out with neutral detergents or with water and soap which must be dried off immediately. Do not use cleaning products containing acetone, ammonia, chlorine or solvents, abrasive products or furniture wax. Do not use steel wool or washing powder. Always use a soft cloth to avoid scratching the surfaces.

Care of the glass parts

These parts may be cleaned with special products or with water and must be immediately dried. Use only a soft cloth to avoid scratching the surfaces.
