Instructions for use

Use and maintenance

This product is suitable for home and office use; do not stand on the seat part; do not lean back on the legs; do not sit on backrest. Do not carry out maintenance or repair operations and contact the dealer for all requirements.

Care of the steel parts

These parts may be cleaned with a light, neutral cleaner and must be immediately dried. Use only a soft cloth to avoid scratching the surfaces.

Care of the polyamide fabric parts

Fibre consisting of linear macromolecules containing the amidic group. High resistance to breaking, deformation (very good elastic recovery), abrasion and tread. Very good dyeing. Easy maintenance (washing, drying, no ironing).

Care of microfaser parts

Waterproof, unalterable, anallergic to UV rays, sweat, tear, saliva, urine, salt water with chlorine. Do not use corrosive products for cleaning, use water and neutral soap only.

Ecology

At the end of the use, do not disperse the item into the environment, but refer to local waste disposal.
