## Instructions for use

### Use and maintenance

The product can be used in houses; do not hang from it and do not step onto the surfaces; any impact against the crystal-glass parts and any maintenance on the product should be avoided.

### Care of the parts in essence and steel

Cleaning must be carried out with a neutral cleaner which must be dried off immediately. Always use a soft cloth.

### Care of the glass parts

These parts may be cleaned with diluted alcohol, which must be dried off immediately with a soft cloth. Cleaning must be carried out with great care to avoid scratching the surfaces.
