Use and maintenance

This product is suitable for home or office use; do not stand on the seat part; do not lean back on the legs; do not seat down back rest. Do not carry out maintenance or repair operations and contact the delaeer for all requirements.

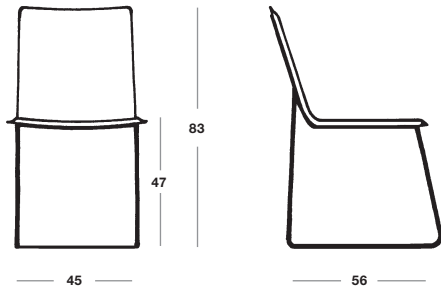

Care of steel parts

These parts may be cleaned with a light, neutral cleaner and must be immediatley dried. Use only a soft cloth to avoid scratching the surfaces.

Care of methacrylate parts

These parts may be cleaned with a light, neutral cleaner which does not contain abrasives or acids. After that dry them off immediately. Do not use detergents with alkaline components and avoid using abrasives steel wool which may damage polyurethane finish. Handle with care sharp-edged objects which may scratch polyurethane. Do not drop sharp objects (knives or other) which would scratch it deeply.

Tex leather

L 45 P 56 H 83 H (seat) 47

Product sheet

Element	Material
Structure	Flat tube in chrome plated or non-toxic oven-baked painted steel.
Seat	In heat-moulded ABS covered with leather.
Characteristics	Structure is held together with wire-welding.

Instructions for use

Use and maintenance

This product is suitable for home or office use. Do not stand on the seat part; do not lean back on the legs; do not sit on the back rest. Do not carry out maintenance or repair operations. Contact the dealer for all requirements.

Care of the steel parts

Cleaning must be carried out with a neutral cleaner which must be dried off immediately. Always use a soft cloth to avoid scratching the surfaces.

Care of the leather parts

To keep the hide leather in good condition dust it regularly with a soft, clean cloth. For cleaning use a damp sponge and a neutral detergent. Once or twice a year we suggest to use the protective and nourishing products included in our "Care and cleaning Kit" which can be purchased separately through our retailers. Any imperfection on leather surface is a natural characteristic of the material (authenticity of the material). If it is directly exposed to sunlight, colour may be altered.
