Characteristics	Stackable. Structure is held together by wire welding.

## Instructions for use

### Use and maintenance

This product is suitable for home use. Do not stand on the seat part; do not lean back on the legs and do not sit on the back rest. Do not carry out maintenance or repair operations and contact the dealer for all requirements.

### Care of the steel parts

These parts may be cleaned with a light neutral cleaner and must be immediately dried. Use only a soft cloth to avoid scratching the surfaces.

### Care of the seat part

Cleaning must be carried out with non-alcoholic and non-abrasive detergents.
